

the young **GOSPEL** voices

Team spirit, enthusiasm, commitment, passion,  
spirituality, determination, warmth, an explosive and  
engaging mix, an emotional experience!

This is the Young Gospel Voices show.

It will touch your heart.

Treviso's gospel choir Young Gospel Voices was founded in October 1999 by initiative of a group of friends taking part in the workshop 'Let's Know Gospel' organized by the Cultural Association Schola Cantorum of Santa Bona in Treviso.

The group has quickly established a strong bond within the members and immediately showed a passionate temperament, starting on a very busy concert schedule led by a number of different directors that have succeeded in the time being.

Directed by Giovanni Polo, the Young Gospel Voices has built over the years a wide repertoire, with nuances of traditional gospel and spirituals but definitely preferring the taste of contemporary gospel.

Young Gospel Voices have established a number of partnerships with prestigious musicians and gospel singers of international fame, such as Cheryl Porter, Ashley K. Davis, David Massey, Willis Peoples, Sharon Beswick, "Habbakah" Kay Foster Jackson and significant activities with Stefano Ronchi.

A special friendship and artistic collaboration binds Young Voices Gospel to the great interpreter Cheryl Porter, with whom they organize training workshops and collaborate in many concerts. Cheryl Porter also sponsored YGV's 10th anniversary concert held in the Eden Theatre of Treviso in November 2010.

Young Gospel Voices are among the 30 choirs in Europe chosen to take part in the 30th Anniversary Celebration of the London Community Gospel Choir, and in their performance on May 5th, 2013 at the Royal Festival Hall in London.

The whole team accounts 30 singing members accompanied by a 5 element band (bass, guitar, piano, Hammond organ and drums) and it has proven to be able to convey the spirit of their bonds of deep friendship at every concert. In fact, YGV always carry a message that goes beyond the music and that is likely to remain in the hearts of any audience.

Young Gospel Voices are available to attend initiatives and concerts, private and corporate events, weddings.
